Mrs Dexter

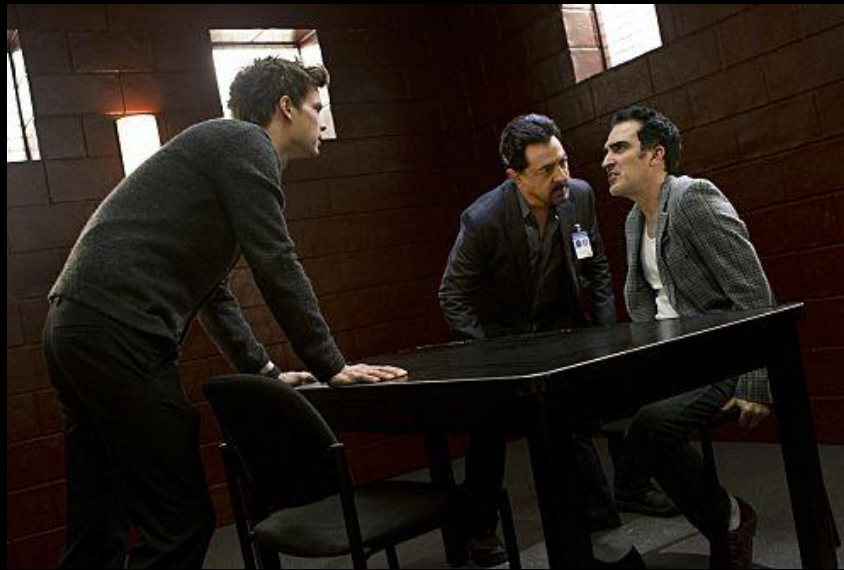

Miss Solis

The police inspectors will first work on their questions in groups. Then they will split to question the 3 different witnesses. (TAKE NOTES)

The witnesses will work on their roles and testimonies. Then they will be questioned by the police inspectors of the 4 police departments (at the same time).

At the end of the questioning, you will get back to your group

And discuss between you who the culprit is. Then you will report your verdict to the rest of the class and explain your opinion.

The witnesses will also get back to their group

And examine each other's motive and alibi to try to solve the case as well.
