

3. Emergency call in practise

Document 4 – video clip: Call 999 for emergencies – de 0' à 1'03

<https://www.youtube.com/watch?v=XAuWnu4QbMK>

Objectifs -> repérer les éléments clés d'un appel d'urgence : questions de l'operator / dispatcher + les mots rassurants + les mots pour décrire une douleur/ décrire la situation d'urgence

1. Compréhension orale globale: (travail en autonomie puis mise en commun groupe classe)

WATCH + OBSERVE the situation: WHO? WHAT? WHERE?

a girl
her nanny
a dispatcher

an emergency situation

at home /
at the emergency call center

Productions possibles / vocabulaire à la demande:

A girl and her nanny are at home / on the couch. The nanny has a problem / looks ill -> she is clutching her chest. The girl dials 999 -> the national emergency number in the UK

An operator / a dispatcher at the emergency center answers the phone and asks questions

2. Compréhension orale détaillée: (travail en binomes: aide / négociation pour l'accès au sens)

- Dans un premier temps: Concentrate on the questions; LIST the questions
- Puis: FIND the equivalents for: ne t'inquiète pas / ça fait très mal / c'est très douloureux / je ne sais pas quoi faire / tu t'en sors très bien / Je vais t'aider

Attentes de repérages: (voir éléments surlignés dans le script)
